

The Sussex Spearfishing Club was forty years old last year and we feel it has done a lot of good in that time, we have seen many youngsters stay for a few years and then move on but we feel they always left as slightly better people. The club has seen many of its divers represent their country over the years with divers such as Dave Heaphy, Wally Pack, Eric Smith, Mick Veal, Lee Deighton and Martin Czarkowski all gaining high positions in World and European Championships.

We have had a very good relationship with the Sussex Fisheries over the last few years and have drawn up a voluntary code aimed towards conserving fish stocks native to our area. Also our members have cleared many a pot for the fishermen around the Bognor area, one of our prime fishing areas.
